MSAB appoints Mathilda Allert as interim CFO

MSAB, Micro Systemation AB publ, today announces that Mathilda Allert will assume the position of interim CFO from June 2022, until a new CFO is in place. Mathilda will be part of the management team during this time.

While the recruitment process is ongoing, Mathilda Allert will assume the role of interim CFO at MSAB. Mathilda Allert has a background as auditor, project manager and have held several leading positions within Finance in listed companies.

“It is very gratifying that Mathilda can join as interim CFO during this period. Her previous experience is very beneficial for MSAB. At the same time, the recruitment of an internationally experienced CFO continues, which can assist the company in achieving the goals that the market and shareholders expect”, says Joel Bollö, CEO of MSAB.

About MSAB:

MSAB is a world leader in forensic technology for extracting and analyzing data in seized mobile devices. The company develops high-quality and easy-to-use software for law enforcement organizations, such as police, military, and customs. The products, which have become a de facto standard for securing evidence in criminal investigations, can be supplemented with reporting tools and a large range of training with certifications within a holistic method for forensic science. The company serves customers in more than 100 countries worldwide, through its own sales offices and through distributors. MSAB is listed on Nasdaq Stockholm under the ticker name: MSAB B. www.msab.com
