

## **MSAB Announces the Appointment of Tomas Taesler as New Chief Product Officer (CPO)**

MSAB, a global leader in forensic technology for mobile device extraction and analysis, today announces the appointment of Tomas Taesler as its new Chief Product Officer (CPO), effective January 13<sup>th</sup>, 2025.

Tomas joins MSAB with over 20 years' leadership experience in software product management, customer service operations and program management at companies such as Tieto Evry, Telia Company, "3" and Framtidsfabriken. He comes most recently from a role as Director of Product Management at Calabrio Inc., an American company delivering technologies for contact centers.

"We are delighted to welcome Tomas to the MSAB Management Team," says Peter Gille, CEO of MSAB. "His long experience of product management from different software and technology companies, both startups and established is a perfect match for MSAB. He also brings a wealth of international experience having worked in Finnish, Swedish and American companies".

"I am excited to be joining the team at MSAB and am very much looking forward to driving forward the efforts within product at the company. I believe that with my experience in software and technology product management, I will contribute to MSAB's continued journey to deliver world-leading mobile forensics solutions that meet the needs of existing and future customers" says Tomas Taesler.

### **About MSAB**

MSAB is a world leader in forensic technology for extracting and analyzing data in seized mobile devices. The company develops high-quality and easy-to-use software for law enforcement organizations, such as police, defense, and customs. The products, which have become a de facto standard for securing evidence in criminal investigations, can be supplemented with reporting tools and a large range of training with certifications within a holistic method for forensic science. The company serves customers in more than 100 countries worldwide, through its own sales offices and through distributors. MSAB is listed on Nasdaq Stockholm under the ticker name: MSAB B.
